

January 11, 2010

One local organization is making a mean breakfast while making sure the proceeds goes towards a great cause." The Auxiliary" was packed today as members of the "Eagles Club Cancer Committee" passed out plates during their steak and egg breakfast this morning. The support of the public had an emotional impact on some... as the money raised will go towards the construction of the Andreas Cancer Center. Gloria Zachow says, "I'm a cancer survivor and so it's very meaningful. It's a great cause for Mankato, the Cancer Center, and it's also a great cause for me personally. I have been affected and have many family members that have been affected by cancer, so I think it's wonderful we can do something to help." If you missed your chance to participate in the event, the Eagles Club will be hosting a brunch next Sunday as well.

January 23, 2010

The Eagles Club Cancer Committee has been flipping burgers all day long during their 15th annual Bite-A-Burger event. Committee member Andrea Schulz who has beaten both colon and skin cancers, and is currently battling pancreatic cancer, is hoping that the money raised will be a benefit to the Mankato community. Audrey Schulz says, "Well, I'm hoping that they find some cures, and all the money does stay in Mankato and it's a worthy cause." All of the proceeds will go toward the construction of the ISJ Andreas Cancer Center.
